

# STEP UP YOUR SMILE STYLE WITH A SPRING CLEANING!

*www.astoriamodernfamilydental.com*

With Spring here and Summer on its way, now's the perfect time to spruce up your smile with a professional cleaning. A fresh and vibrant smile not only looks good and feels great, but it's also critical to your overall well-being.

At the office of Astoria Modern Family Dental, we want every patient to enjoy the benefits of a healthy and beautiful smile. In addition to performing a thorough professional cleaning, we also provide essential oral hygiene instruction and helpful tips for you to use at home.

Remember, protecting your oral health begins with keeping your smile clean! By working in partnership with our office, you can maintain a smile that is in tip-top condition for many years to come.
