

How DoctorsInternet.com Works to Help Dental Practices Succeed

Before we begin to market for our clients, it is imperative to learn as much as we possibly can about their practices, the services they want to highlight and the patient population they are looking to reach. Below is an example of a DoctorsInternet marketing questionnaire which identifies keywords, neighborhood names and zip codes that the dentist wants to target to attract new patients.

DoctorsInternet.com *Online Contact Form*

Name: Dr. Thomas E. Schmidt & Dr. Jay Lindsay

Business Name: Fredericksburg Dentistry, PLLC

© Doctorsinternet.com | 800-416-5235 | support@doctorsinternet.com

By using the marketing questionnaire and Doctorsinternet.com's advanced SEO techniques, our goal is to get your website to page one for search queries typed into Google or Bing by potential patients looking for dental services in your local area.

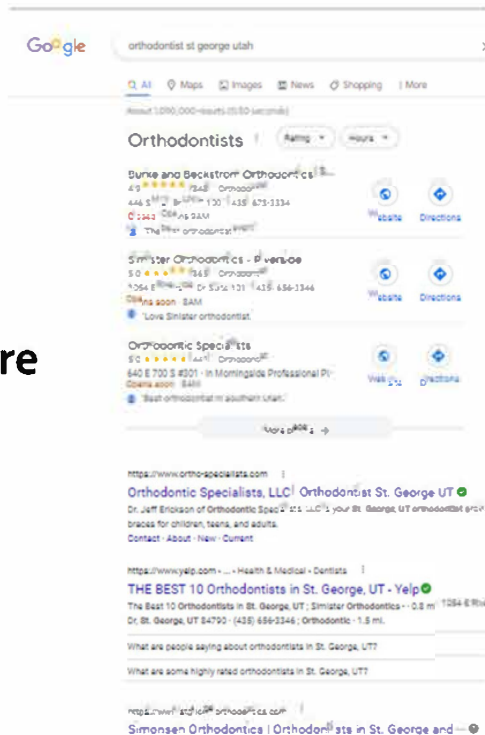

Better search results turn into more prospects clicking through to your website which results in more phone calls and online forms from those looking to become new patients.
